

CITY OF COLD LAKE 2025 MUNICIPAL ELECTION

Prospective Candidate Information Package

Alberta is made up of cities, towns, villages, hamlets, summer villages, municipal districts and specialized municipalities, all of which are considered municipalities under the legislative framework outlined in the *Municipal Government Act, RSA 2000, c M-26 (MGA)*. The purpose of a municipality is to provide good government, to foster the well-being of the environment, to provide services, facilities and requirements for the municipality, to develop and maintain safe and viable communities, and to work collaboratively with neighbouring municipalities for inter-municipal services. Power is granted to a municipality to carry out the legislative requirements of the *MGA* and other enactments. A municipality has the duty to carry out those legislative requirements.

All municipal elections are conducted under the authority of the *Local Authorities Election Act, RSA 2000, c L-21 (LAEA)*. All candidates and campaigns should be aware of the contents of the *LAEA* as there may be severe penalties (including fines, imprisonment, and disqualification from elected office) if you are found to be in breach of its provisions.

In addition to the *LAEA* and the *MGA*, *Bylaw No. 682-AD-20, Election Bylaw* establishes the rules for the City's municipal election.
